

2025 => goals achieved

100%

For 2025, we have also offset the CO2 emissions from our activities with carbon credits from the forestry sector.

+100%

We've reached our goal! All of our projects are sustainable events in accordance with our ISO 20121 certification standard

+84%

Together with our supply chain, we have designed events with 84% reused materials and 96,98% reusable materials.

5/5

Our customer satisfaction goal has been achieved.

We have actively supported projects for Lilt, Dynamo Camp, Comoli Ferrari Foundation and other project notably the redevelopment of Parco Golgi in Novara.

We are actively involved in projects promoted by the municipality and the province. We support Igor Volley Novara and more sporting project and activities.
